Hedda: 2001-2011

10th Anniversary Celebration

Hedda (Higher Education Development Association) is delighted to invite you to celebrating its 10th anniversary with a one day conference themed:

Mergers and Higher Education Cooperation

The conference includes presentations from leading international and Nordic researchers and experts, and bring together both the expertise of researchers and the insights and experiences from top executive positions in merger processes.

No conference participation fee.

Limited number of places.

More information about the speakers, program and registration will be available on the Hedda website in early August, 2011:
