Northern (Arctic) Federal University

Institute for Humanities, Social and Political Sciences

Dear Colleagues,

We invite you to take part in the Model Arctic Council (AC), which will take place on 19-23 September in Arkhangelsk, Russia.

The Model AC is a Summer School that includes lectures and an intellectual game. During the game the participants role-play the representatives of the Arctic States, Permanent Participants and Observers of the AC. It is an excellent platform for you to get more knowledge about the Arctic Council, to try yourself in the process of political negotiations and to broaden international cooperation and network.
