

MASTER OF MANAGEMENT (ONLINE)

Grenfell Campus is now accepting applications for the Fall 2025 intake of its fully online, course-based Master of Management (MMgt) program.

This innovative degree is the first and only program of its kind offered by an Atlantic Canadian university, and one of only a few in Canada. Students explore fundamental management topics in ways that are relevant to them, and the part-time program can be completed in less than three years.

The Grenfell MMgt is built for professionals with diverse backgrounds who are working in management or looking to build their skills to move in that direction. Admission is limited and competitive. Applications for Fall 2025 intake are now open. Apply today!
